Builders Week Istanbul | Sep 1-7 2025

BUILDERS WEEK ISTANBUL
1-7 SEPTEMBER 2025

BWI is a week-long series of permissionless events aimed at scaling the blockchain development ecosystem, with over 27 events hosted during the week.

- ETHIstanbul
- Bitcoin++
- Cryptist
- TUBITAK Bilgem Day
- Cosmos Istanbul
- AVALANCHE Connect

ETHIstanbul

ETHIstanbul is a conference and hackathon that was organised on September 5, 6, and 7, with over **$41,000 USD** worth of bounties distributed.

- Ethereum Foundation supported ETHIstanbul as the '10th year of Ethereum' hackathon.
- Rise Chain, Sui, Aptos, Ledger, Babylon, Bybit, Citrea, Taikai, and Yellow were some of the sponsors.

Sui Move Workshops

node101 coordinates and organizes over 40 events each month across Turkiye.

- Collaborating communities in Istanbul, Ankara, Izmir, Bursa, Antalya, Konya, and more
- Creating the event schedule, distributing the resources, and making sure the events are done with the quality

Celestia Mammothon

node101 is the official partner of Celestia Mammothon Hackathons. Here are this partnership's outcomes;

- 2 Turkish Winners out of 10 Global Winners
- 4 Turkish Runner-ups out of 15 Global Runner-ups
- 21 Turkish Teams out of 102 Global Submissions

Base

node101 is the first company to organize Base workshops in Turkiye, specifically in Istanbul, Ankara, and Bursa.

+12600
Attendees

Turkish blockchain developer ecosystem meets at node101 events.

*Total number of events attendees in the last two years

+1400
Developers

Learning, having fun, finding hacker-buddies, socializing, and hacking all night long; it's all here
